

**FOR ATTORNEYS TO OBTAIN ACCESS TO THE U.S. DEPT OF DEFENSE
MANPOWER DATA CENTER INTERNET SITE TO VERIFY SSCRA STATUS:**

The Department of Defense has created a new website for attorneys and court personnel to access military verification records.

To obtain access to the web site, attorneys should write a letter on their letterhead requesting access to the Soldiers' and Sailors' Civil Relief Act (SSCRA) web site. Identify the reason for your request (status verification for court records) and identify the names of the persons who will access the web site on your account.

Address the letter to:

Department of Defense
Human Resources Activity
Defense Manpower Data Center
Attn: SSCRA verification
1600 Wilson Blvd., Ste. 400
Arlington, VA 22209-2593

This request can be faxed to (703) 696-4156.
(* You often receive same day service reply)

You will then receive a letter via fax with a form to be completed and returned to the Data Center by fax. You will then receive a User Pin and Match Code for use on their web site.

The request process is surprisingly quick and easy!
