**FIRST AMENDED DENTON COUNTY DISTRICTS COURTS JOINT STATEMENT AND
TEMPORARY STANDING ORDER REGARDING POSSESSION AND ACCESS DURING
THE COVID-19 EMERGENCY DECLARATION PERIOD**

Applicable to all Family Law cases in Denton County, Texas.

The Denton County District Judges take the position that “Stay at Home” Orders or “Social Distancing Restrictions”, standing alone, do not modify current orders regarding possession and access. Exchanges relating to possession and access to children are considered to be an “essential activity.”

The position stated above does not remove the ability to petition the courts for emergency relief if extraordinary circumstances exist.

It is also the Judges position that the following Temporary Standing Orders be issued:

IT IS THEFORE IT IS ORDERED:

1. If a parent or conservator subject to a family court order has been diagnosed with, or has reason to believe they have or have been exposed to the COVID-19 virus, that person SHALL notify the other parent of the diagnosis or exposure.
2. If a parent or conservator knows that a child has been diagnosed with or has reason to believe that a child has been exposed to COVID-19, that person SHALL notify the other parent or conservator of the diagnosis or exposure.
3. If a parent, conservator or child has been diagnosed with or if a parent or conservator has reason to believe that they or the child have been exposed to COVID-19, the parents and/or conservators shall confer to discuss actions necessary to protect the child’s safely and welfare.

This Temporary Order is effective from May 1, 2020, and expires upon the termination of the final County and Statewide Executive Orders restricting social distancing.

Signed this 1st day of May, 2020.
