Procedures for Looking Up Property ID Numbers or “R” Numbers

- To search for the DCAD “R” # go to the Denton Central Appraisal District Website at – [www.DentonCAD.com](http://www.DentonCAD.com)
- Select “Advanced” under “Find a Property”

- Enter as little or as much known information to find your property.
-OR-

- Go to www.DentonCAD.com/gis/ and search for your property using the interactive map.

- Make sure “Parcels” is turned on under “Layers”

- Once your property is found, the number shown over it is your “R” Number. You can also click on your property for more information.
