This mediation is a mandatory settlement conference, conducted with the assistance of the mediator. A mediated settlement agreement can be made binding on the written agreement of the parties. Mediation is private, confidential, and privileged, except as provided by applicable law. After mediation, the Court will be advised by the mediator, the parties, and counsel only that the case did or did not settle. The mediator shall not be a witness, and the mediator's records may not be subpoenaed or used as evidence. No subpoenas, citations, writs, or other process shall be served at or near the location of any mediation session on any person entering, leaving, or attending any mediation session. Each party and counsel shall be bound

by any rules for mediation furnished by the mediator and shall complete and supply all information requested by the mediator.

**IT IS ORDERED** that all named parties and lead attorneys shall be present during the entire mediation process and that each corporate party must be represented by an executive officer with authority to negotiate a settlement. Counsel and parties are **ORDERED** to proceed in a good-faith effort to try to resolve this case and shall agree on a mediation date within the next 10 days. If no agreed date can be scheduled within the next 10 days, DCAP shall select a date for the mediation and all counsel and parties are **ORDERED** to appear as directed by DCAP. Any date so scheduled by DCAP is incorporated in this Order as the date on which the mediation shall occur. Referral to mediation is not a substitute for trial, and the case will be tried if not settled.

IT IS FURTHER ORDERED that all the parties do the following:

1. Notify Denton County Alternative Dispute Resolution Service (DCAP), in writing at least 21 days before the date of mediation, or immediately upon entry of this Order if the mediation is scheduled less than 21 days from the date of this order, if there is any allegation, by either party, of domestic violence having been committed by either party, or any person attending the mediation, or if there is any reason the party believes his or her personal safety would be in jeopardy at mediation.
2. Pay the mediation fee assessed herein prior to, or concurrently with, the scheduling of the mediation. IT IS SPECIFICALLY ORDERED that DCAP is under no obligation to schedule the mediation until the assessed fee is paid.
3. Complete the Summary Inventory, attached hereto as Exhibit A, and the delivery of it to DCAP, for all cases brought under the Texas Family Code,.

IT IS ORDERED that DCAP will not schedule the mediation until Exhibit A is received by DCAP.

IT IS ORDERED that, if a cause of action is brought under the Texas Family Code and if Exhibit A indicates a higher mediation level/fee for any party to the mediation, DCAP shall assess the fee indicated prior to, or on the date of, mediation and mediation shall not commence until said additional fee has been paid.

IT IS ORDERED that, if the case being submitted to mediation at DCAP is a divorce action, and the parties' Summary Inventories indicate different mediation levels because of disputed valuations of one or more assets, the higher valuation shall control the mediation level for both parties.

IT IS ORDERED for all civil cases that are not subject to the Texas Family Code, the levels shall be set by the "Amount in Controversy" plead by the parties. **However**, IT IS ORDERED that, if during mediation it is discovered that the amount in controversy is higher than the amount indicated by the parties prior to mediation which then indicates a higher mediation level/fee for any party to the mediation, DCAP shall assess the fee indicated on the date of mediation and mediation shall not continue until said additional fee has been paid. IT IS FURTHER ORDERED that, if the parties indicate different mediation levels because of disputed valuations of the claim(s), the higher valuation shall control the mediation level for both parties.
