

Denton County ETJ Verification

The unincorporated property for which are you seeking a permit(s) is within the Extra-Territorial Jurisdiction (ETJ) of a town or city. Subdivision requirements for this property are determined by the town or city. You must contact the city so they can inform you whether or not town or city approval is required and, if so, what the requirements are. If the town or city requires a plat or other improvements for your property/project, please be advised that the town or city will not sign the ETJ Verification Information until all requirements have been met. This form must be signed by the city whose ETJ the property is located.
